ABOUT MYSELF

I am a second-year **Energy Science and Engineering student at KUET**, passionate about electronics, energy systems, and emerging technologies like AI and embedded systems. I've worked on an **Arduino-based safety alert project**, and I'm skilled in **MS Office, Adobe Illustrator, and SOLIDWORKS**. I thrive in **team-based, hands-on environments, adapt quickly**, and complete tasks with **precision and integrity**. My goal is to pursue **research and higher studies** abroad with a scholarship.
